Who's Who in the Ogden Library

For a small library, there are quite a few faces to learn. There are three librarians on staff. Kay Hughes-Dennett is the director; Anne Strang handles children's services; Kate Vreeland does adult services and makes a mean quilt. Roberta Voelkl, the library assistant, works with the teens and tweens. There are also many clerks. If you come in during the day, you will meet the day staff: Sheila, Anne Marie, Mary, Bob and Cindy. Cindy, also does the bookkeeping AND takes care of the zebra finches. In the evening you are likely to interact with Pat, Amanda, J.J., Katie and Lauren. You may also see the pages - Pat, Katherine, and Michael - hard at work putting books back on the shelves. You will see Ralph, the custodian, most mornings. They all work together to serve you, and hopefully brighten your day when you visit the library!
